Thank you for allowing us to help with your landscape needs. On the back is a brief description of our various treatments that we offer. As your program is custom made for your particular landscape, not all treatments below will appear on your PREPAY LETTER. As always, please let us know if you have any questions. Unless we here otherwise from you, we will implement the treatment program outlined on your PREPAY LETTER. Any changes you wish to make please contact us ASAP. We look forward to working with you and your landscape this season.

You can also find more detailed information on all of our services @ langstrecare.com. Please feel free to call or email with any questions. If you are signed up for Lawn Care or Pest Control you will receive that information separately. Please remember, unless we hear otherwise from you we will implement the program outlined on your prepay letter this spring!
